Public comment: Zoning Administrator spoke to the board about the Verizon Cell Tower and reported that he had received paperwork to be reviewed by the planning commission. The Z.A. and the Supervisor are going over newly received information sent by Verizon.

Barb Bradford gave a talk about Great Lakes Energy's new program (True Stream) concerning their efforts to run wiring to areas without a good source of internet connections. She is a member of their team (they are called champions) to get the word out so GTE will look at the need in our area and consider the Antrim County area in their schedule for the future.

The Supervisor gave a report on the Ambulance Authority Board's last meeting concerning the need to replace some of the ambulances and that they could get 2 new ambulances with four wheel drive and much more user friendly for the cost of one like they have now and save about \$30,000.00 in one year.

① Meeting adjourned at 8:09pm.

Sally Petrie, Clerk

① MOTION BY HAGOOD TO ADOPT KEARNEY TOWNSHIP INVESTMENT AND DEPOSITORY DESIGNATION RESOLUTION, SECOND BY PETRIE, CARRIED.
ROLL CALL VOTE: AYE - HAGOOD, NIEPOTH, PETRIE. NO - NONE.
