Report from Twp Official/ Zoning Administrator: None

Old Business: 1. Review Zoning Ordinance. Michelle is comparing ordinance book to the zoning book. She will not pass out any new sections tonight.

2. Verizon Tower: Have not heard anything new from Verizon or from any of the lawyers involved.

3. Craven Pond: Michelle called the conservation district and Tom Clement has left the organization. She talked to Meaghan and she said to wait awhile to call back as they are trying to hire a new person and it will take that new person some time to get up to speed with the position.

4. Home Based Business Application Update: Michelle fixed the article for the newspaper to state that no fees are associated with this. The question was brought up if this paper will be given to the tax assessor where you can then charge a personal property tax. After discussion it needs to state that "no fees associated with filing this declaration". Ed also spoke with the Fire Dept and they have no need for this form.
