- Report from Twp. Official/ Zoning Administrator:**
1. Ed did talk to the consultant and he received the proposal from Mission North. They will use the Master Plan to rewrite the entire Zoning Ordinance. The cost is \$18,000. This is only for the work that Mission North will do. Ed is going to follow back up with them to see if they can give us pointers on what parts that need to be updated. The township board tabled this for the time being, as more research needs to be done. Michelle will look into getting copies of the different township's zoning ordinances.
