Old Business:

1. Master Plan: Steve contacted MML. They sent him links to places that can help us. MSU does have resources to help with the Master plan as well. Gloria will work on timeline on what we can start to work on.
2. Review of Other Township Ordinances: Gloria passed out list of definitions along with a list of all township's table of contents. Gloria would like to review the data in the tables so that we can go over those as well.
3. Section 4.09C Review in Zoning Ordinance: Gloria did research, and we cannot supply a letter of reference to the ZBA. The only way we can supply a letter was if our ordinance has a certain clause stating the property has been deem unusable. We do not have this clause. There was a question about having Ed run this by our lawyer. Gloria will follow up with Ed.
