Conflict of Interest: None

Approval Agenda: Motion Jacques, Second Rix to approve the agenda as distributed. Carried

Approval of Minutes: Motion Jacques, Second Rix to approve the minutes of the May meeting as distributed. Carried

Correspondence: None

Public Comment: None

Report from Zoning Administrator: Dan reported on permits issued in the last month; that the drive thru party store ran into perk test issues and would not be built at the M88 location.

Old Business:

- New Zoning Applications
Discussion regarding the proposed redesigned Zoning Application. Consensus was to start using the form and to get feedback from Dan next month regarding any necessary tweaks. Once finalized we will make it into a fillable PDF for publication on the WEB.
- Fire Department Meeting Information
Steve reported the fire department is looking into installing water cisterns around the township and asked if there were any zoning restrictions.
- Renewable Energy Information
Dick suggested that we add a goal to section 3 of the Master Plan and a section on Renewable Energy to Section 4. These additions to the Master Plan would allow adding language to the zoning ordinance.
- Mapping Headway
Tim will pick up updated zoning maps from the County.

New Business:

- Training Opportunity on 6/21 & 23, 2022
Tim reminded everyone to check their email regarding training opportunities on 6/21 and 6/23
