Report from Zoning Administrator:

Dan reported that 2 new building permits had been issued, that the Zoning Appended A published on the WEB site was missing building width in some zones and that there were potential squatters on the property at Shumaker and Eddy School.

Dan asked us to review a proposed property division form for use in his office. Dick will scan and email to everyone.

Old Business

- A. Renewable Energy – Motion Murray Second Rix to Review and Finalize Clean Energy Language for the Master Plan at the September meeting.
- B. Training Opportunities – Leslie is registered for a MSU Extension Service Zoning for Community Planners class
